THE WINE & HAMPER  
COMPANY LIMITED

## Personalised Wines and Champagne... The ideal solution to all your client gifting needs!

Although wine and champagne are recognised as wonderful gifts to receive, they are soon forgotten unless there happens to be a specific reason for remembering them. To personalise the label will not only enable the gift to stay in the individual's memory for some time, but will also act as a very strong marketing tool.

Adding your corporate logo and an appropriate message to a bottle of wine ensures immediate and effective brand awareness, especially when combined with a specific promotion or event.

Mock-up labels can be created at no charge, simply supply us with your logo and the message you want to convey and we will email you an initial proof for your approval.

A selection of wines that we can personalise at prices from as little as £5.95 are detailed overleaf.
